Conscious  
EMPATH

# JAMIE BATES

Jamie began her journey as a psychic in her late teens, transitioning into an energy healer, massage therapist and then turned consciousness facilitator.

She has personally worked one on one with thousands of people. Moving from her own brick and mortar healing center to the online world, Jamie's impact has now grown world wide. With students in over 20 countries and personal clients all over the world. Her impact has been felt globally.

She wrote her first book in 2019. *The Empaths Guidebook to Consciousness and Awareness*.

Currently her years of research has proven highly effective for thousands of students world wide.
